

THE FURRY HAT SPEAKS

From now on, men can only pee in the show using the Monotype Corsiva font.

If I've learned anything at all about relationships, it's that it takes two caring people to make love work. But only one needs to be conscious.

Call me old-fashioned if you must, but as far as I'm concerned, if a dirty movie has only one animal in it, it's just art.

It's true what they say – houseguests and fish both stink after three days. But while the fish have to be thrown out, the houseguests should be fried up and eaten with a side order of chips.

Starting first thing tomorrow, every person over 6 feet, 7 inches tall will officially be categorized by the American Medical Association as "goofy looking".

I hereby rule that whenever someone dies during auto-erotic asphyxiation, their soul will go straight to Heaven for eternity.

It's about time you all realized that suspenders were originally used not to hold up your pants, but to pull down your shoulders

It is now unquestioned law that oxygen in planes will be recycled from abandoned mental institutions.

I now remove from the Pillsbury Bake-Off rulebook all regulations against cannibalism.

The next Pope? Cardinal Coolbreeze Jethrodesiac of Upper Funklandia.

Five minutes after your body dies, your soul will get an extra-large container of hot, buttered popcorn that it can take as long as it wants to eat, But as soon as it's done eating it, the soul will die forever. Unless, of course, you die from autoerotic asphyxiation.
